

SAGAMORE COUNCIL RANGER'S AWARD

An award has been developed by the Sagamore Council to recognize those Scouts who give service to our Camps. The award may be earned by an individual Scout in conjunction with his troop, patrol, or by his own individual effort.

Requirements:

1. Any Scout of any rank may work on this award, subject to the approval of his troop.
2. The applicant must work a minimum of ten hours on Camp Service Projects designated by the Camp Rangers. (Hours cannot be counted if they were accrued on an O/A Work Day, used toward a rank or merit badge requirement or during a regular Summer Camp period by a Camper.)
3. The service hours earned by a Scout for the Ranger's Award must be accumulated within a one year period from the date the first project was started.

Camp service referred to above will consist of a meaningful task that is designated by the Camp Ranger that will result in the improvement of appearance or quality of our Scout Camps and facilities.
